Dear Pierre

I just wanted to drop a quick note to say thank you for your teams' hard work at Sounds Expo last week.

I know that there were several problems with the scheduling and delivery of the signage and this caused delays for your team, but the guys who rigged for us were brilliant. I really appreciated their patience!

The staff you supplied were very friendly and I am extremely grateful to them for making my time at the venue so seamless.

I hope to have the opportunity to work with you again in the future.

Kind regards

Helen Marshall
