

The World's Biggest Popcorn Box Dropping over a Tonne of Popcorn on Lucky Orange Winners in Tower Bridge.

Outback Rigging recently provided rigging services for M&C SAATCHI to help their client Orange to achieve a world record. This was to fly a giant tub containing more than one tone of pop corn over 100 would be unsuspecting prize winners. Click below to see what happened.

New Kit

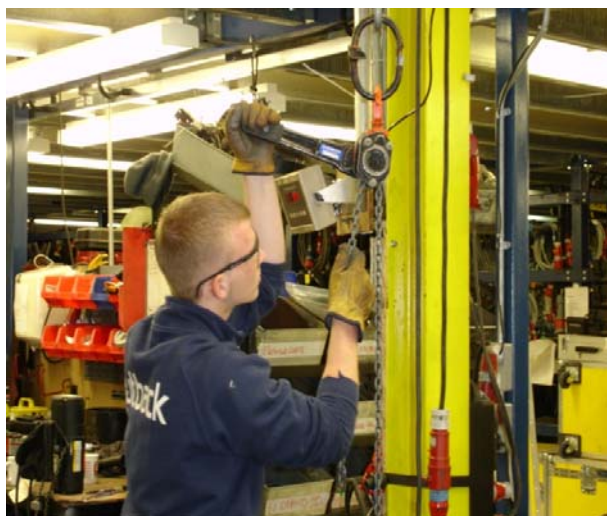

As part of our ever expanding Motion control division, Outback have recently added elevation 1+ controlled Yale 2t Travelling Beam trolleys to stock. See picture right.

Outback are able to maintain and repair a wide range of Electric Chain Hoists and provide a certificate of thorough examination that complies with L.O.L.E.R regulations.

All our work is undertaken by qualified engineers. We can certify most lifting equipment, from manual chain blocks, lever hoists, and hand winches to electric chain hoists.

To keep your hoists in perfect working order and to help maintain L.O.L.E.R compliance, we offer a reminder service, in which we will call you to remind you when your hoists are next need to be inspected. For more information on pricing please contact Chris Fountain on 0208 993 0066 or e-mail: chris@outbackrigging.com
