Hi Stuart,

I would just like to pass on a huge thank you for your work at Wellington last week, I know we haven't quite finished across site but the standards that outback work too are just fantastic. Can I just say its been a great pleasure over the past few weeks and I really do appreciate the work that you and your colleagues have done for us at Wellington.

I hope that the relationship between Wellington and Outback will keep evolving and continue for many years!

Best wishes
